

## Ray Duane Gillis

c. 1940 - Sept 15, 2020

Posts on Duane's Facebook page support the rumor that he died on Tuesday evening, September 15th. We learned that he recently suffered from Interstitial Lung Disease, as well as other serious health concerns in the past.

“With the unfortunate event of Covid, his memorial service has been limited to family only. He will be laid to rest at the Tahoma National Cemetery on October 5 at 1:30 PM. We know how much my dad loved all of his friends, we are so sorry you cannot be there but again we appreciate all of the love and support.” —*Stacy Mohs, daughter*

More information is welcome, and can be sent to [info@ehs58.org](mailto:info@ehs58.org) for posting on this Website.
