

**Margie Smith**  
1940 - 2012

Margie Jean Smith Phelps was born on January 22, 1940, and died on February 11, 2012, at a care facility in Salem, Oregon, at age 72.

*In our 50th Anniversary Reunion book, Margie wrote:*

“Since graduating I got married (Ray), had two boys and two girls. I also have a granddaughter and two grandsons.

“We left Washington and full-timed in an RV for 16 years. We traveled around the western United States and Alaska. We moved to Oregon and we equipment-and-fire watched for a logging company for four and a half years. We were campground hosts for Oregon State Parks for four years.

“We sold our pickup and RV in 2003, and bought a new manufactured home and set it in a mobile home park in Independence, Oregon. We are enjoying our home and don’t miss RVing any more. We enjoy reading, taking short drives and visiting friends. I do some crafts.”
