

Rose Marie Wallace Campbell

July 29, 1939 - October 15, 2015

Rose Marie Campbell (McGhee, Wallace, Egan) was welcomed into heaven on October 15, 2015. Rose, wife, Mom, Nana, sister, and friend is one of God's smallest children with the biggest heart. Rose was born July 29, 1939 in Everett, Washington to Erwin and Victoria McGhee, where she lived with her two brothers, Dick and Don and five sisters, Betty, Mary Jean, Geri, Dorothy, and Becky.

She spent the first seven years of her life playing with her siblings, chasing chickens and avoiding snakes. When Rose was eight she was joined into another loving family who lived in Lake Stevens and was adopted by Mark and Barbra Wallace. She gained two more brothers, John and Jim. Jim being the same age, became her best friend and "twin". They spent many hours driving his sports cars, water and snow skiing, ice skating and boating on Lake Stevens, and traveling to Hawaii with her Nana John.

Rose's family moved to Edmonds where she attended and graduated from Edmonds High School in 1958. At this time, Rose was very active in all sports especially gymnastics and down hill skiing to earn her cherished letterman's sweater.

After high school, Rose worked for her friend and mentor Doctor Kretzler and attended Everett Community College where she met her first husband, Brian Egan. On April 3, 1966 Rose had her first beloved daughter, Lisa, and her second daughter, Tricia, was born July 22, 1969. She spent all her days caring for her family, making sure everything was perfect in their lives and loving them unconditionally. Rose chose her career of caring for others and she always put

her family first and was a full time mom and wife.

In 1979 she earned an associates in Early Childhood Education and worked for the Lake Stevens School District caring for numerous kindergarteners and children with special needs. In 1998 Rose was blessed and became a Nana. Her three grandchildren, Tori, Connor, and Sofia became the center of her world.

In 2005, Rose reunited with a high school friend, Larry Campbell. They quickly became best friends and married. They spent the last ten years of her life making each other feel like the most special people on earth.
